“Friday Night Fights” Sure to be a “Knockout” at America’s Largest Invention Trade Show

PITTSBURGH... InventHelp’s INPEX®, America’s Largest Invention Trade Show, is proud to announce for the third consecutive year, INPEX® will host The Black & Gold Everlast® Invitational Boxing Tournament! Keeping with the tradition of past years, this event will be held on Friday, June 13th, at 7:30pm in the David L. Lawrence Convention Center.

This event has been a “knockout” the past couples of years, and, since exhibitors and attendees have enjoyed it so much, INPEX® decided to bring it back for another round. It also offers the public a chance to get out and enjoy a live boxing match right in their city!

If you’ve only ever seen fights before on TV, the live show is an entirely different experience. These fighters stick, move and jab with such quickness and intensity, it keeps you on the edge of your seat the whole time (if you can even stay in your seat)!

INPEX® will have three different types of tickets available for purchase: general admission, silver and gold. General admission tickets cost \$20 and get you into the match; silver tickets cost \$30 and get you a little closer to the action; finally, for \$40, a gold ticket gives you the best view of the all the heavy hits and knockout blows. INPEX® would like to thank Everlast®, who, for the third consecutive year, generously donated the boxing gloves and uniforms that the boxers wear.

If you’re a boxing fan, or even if you’re just looking to see what a live boxing match is like, be sure not to miss out on this event! The public can purchase their tickets at the West Lobby of the Convention Center, on the ground floor.

INPEX®, The Invention Show, is a unique trade show that showcases new products and innovations that are available to business and industry to manufacture, license or distribute. As part of the tradeshow, The Invention Show sponsors INPEX® Inventors University™, a series of seminars, presentations, and panel discussions to provide information that inventors may find useful in pursuing their ideas. This year, INPEX® will be held at the David L. Lawrence Convention Center in downtown Pittsburgh, the world’s largest “green,” environmentally-friendly building.

INPEX® is a service of InventHelp®, America’s leading inventor service company. For more information about this inventor or INPEX®, call 888-54-INPEX or visit www.inpex.com.
