InventHelp's INPEX® Announces Dates for its 26th Annual Show in June 2011

PITTSBURGH...InventHelp's Invention & New Product Exposition (INPEX) is pleased to announce the dates for the 26th annual INPEX® Show, June 14-17, 2011. INPEX®, America's largest Invention Trade Show, features inventors from across the country and internationally as well. The 26th annual show will be held at the Monroeville Convention Center, just twenty minutes from downtown Pittsburgh.

InventHelp's INPEX® is a unique trade show that showcases numerous inventions, new products and innovations that are available to license, market or manufacture. This trade show brings inventors and entrepreneurs together with industry representatives in one convenient networking forum. INPEX® will again feature the INPEX® Inventor's University™, a series of seminars, presentations and panel discussions on topics like prototyping, patenting and manufacturing.

Trade Show Director Nicole Hait says, "We are very excited to have set the dates for our 26th annual show. We already have well known companies like Tupperware, Proctor & Gamble and Johnson & Johnson Consumer Companies committed to conducting private product searches at the show."

If you are an inventor who might be interested in exhibiting at INPEX®, prime space is now available. Please visit our website at www.inpex.com for up-to-date information or call 888-54-INPEX to speak to one of our INPEX® sales representatives. Don't miss this unique opportunity to exhibit at America's largest invention trade show.
