INPEX Holds Facility Tour for Shareholders

TOKYO, JAPAN - [INPEX CORPORATION](#) held facility tours for shareholders at Naoetsu LNG Terminal in Joetsu City, Niigata Prefecture, on June 5 and 6, 2025.

During these facility tours, participants viewed the LNG tanks at close range and visited the terminal's jetty operation building, pipeline monitoring center and INPEX MUSEUM, an interactive exhibit featuring a panoramic video presentation on natural gas.

The pie chart below shows the satisfaction level of participants based on a questionnaire on the shareholders' evaluations of the tours.

The following remarks are a selection of the feedback received from shareholders.

- I gained a clear understanding of INPEX's business operations.
- I now have a good understanding of INPEX's efforts to ensure a stable energy supply.

INPEX appreciates the continued support of all its shareholders and will continue to organize facility tours to deepen shareholders' understanding of its business.
